NUNTIUS ACUSTICUS 9/2013

Dear Colleagues,

For 13 years it was my pleasure to serve for the EAA Board with respect to the NUNTIUS. There is no better reason now than to thank all the Societies for their valuable support in making the NUNTIUS a successful product and to guarantee the interaction and communication in the EAA.

Best wishes to all of you

and good luck for Kristian Jambrošić who is now in charge for our newsletter NUNTIUS.
